### Legacy Leaders League

The Legacy Leaders League offers meaningful opportunities for individuals to sustain and bolster Leadership Springfield's work for the long term and recognizes donors who make a deep investment through generous annual monetary contributions of \$250 or more. We believe in the legacy and strength of local leaders who are equipped with dynamic leadership development skills, informed about the complexity and interconnectedness of all aspects of our community, and engaged in the work of civic and community participation.

*Join us in leaving a legacy of leadership in the Springfield community for decades to come.*

Members of the Legacy Leaders League are individuals who, through their unrestricted annual support and engagement, demonstrate the commitment and generosity of spirit and leadership at the heart of Leadership Springfield. The Legacy Leaders League is our opportunity to honor the individuals who champion our work annually with unrestricted donations. Giving levels are recognized annually. Lifetime Legacy Leaders level gifts may be one time donations or pledges gifted over four years.

Leadership Springfield is a 501(c)(3) nonprofit organization. Documentation for tax records will be provided for all charitable contributions.
