

United Way of the Ozarks

Board Opportunity

The United Way of the Ozarks improves lives by raising funds and uniting support around our communities' critical needs and red flags. United Way of the Ozarks is committed to ensuring children are fully prepared to succeed in school and life and that adults are able to support themselves and their families. We invest in programs that form a safety net for families experiencing challenges, and focus on education to get upstream on reducing poverty. We connect communities, people, and hope.

United Way of the Ozarks solves problems no ONE organization can solve alone.

Be part of the positive change and Live United!
