

Professionals 4 Child Advocacy

Board Opportunity

The Professionals 4 Child Advocacy (P4CA) was formed 11 years ago by a group of Drury University seniors who took part in a tour of the Child Advocacy Center and decided to form a group to help support the mission.

Over the years, the group has changed from college students to people in a wide range of professions and age groups. The P4CA members are interested in helping the CAC reach yearly financial goals and secure volunteers for fundraising events.

Board Requirements: P4CA Members are tasked with hosting one of the Child Advocacy Center's main events each year - Burgers & Cheers in the fall, as well as helping with other events throughout the year.

Meeting Time & Location: P4CA meets on the first Monday of every month at noon. The meetings are held at the Downtown Church located on the corner of Jefferson Ave and Walnut St.
