

# Triumph Over Trafficking Alliance

## Board Opportunity

Triumph Over Trafficking Alliance (TOTA) is seeking engaged and passionate community members to join our organization's Board of Directors. We are a new nonprofit with the mission to provide essential resources to children and youth in Southwest Missouri who have experienced sexually motivated abuse, assault and/or exploitation. We increase public awareness through community collaboration and education and provide a coordinated approach to empowering young survivors of sexual violence. Volunteer members of the TOTA Board serve as ambassadors and advocates for the organization and fully engage in identifying and securing financial resources and partnerships necessary for our organization to advance its mission. Board members are expected to leverage personal and professional connections, networks and resources to support Triumph Over Trafficking Alliance. Board members are also expected to have availability to attend monthly Board meetings either virtually or in person (until we become more established then subject to change), participate in committees and TOTA events. The Board is accountable for ensuring our nonprofit adheres to all state and federal legal requirements.
