

Linda Merkling

I am a Marketing Business Strategist with Springfield Business Journal partnering with business owners. I received a B.S. degree in Personnel Psychology with minor in Communications from Missouri Western University. My leadership and career experience include media/marketing consulting, recruitment, entertainment, hospitality to construction supplies. I enjoy problem solving & am solution driven.

These experiences have blessed me to have the opportunity to lead, encourage and develop great teams, by discovering each individual's talents and skills. I enjoy working with females in their professional development. We all need a mentor, a boost of confidence & encouragement to believe in yourself and go after what you want!

I strive to be a servant leader in my church, non-profits and civic associations, love this community and collaborating with local businesses.

You can choose to "Make it a Great Day!"
