

Generations Village

Board Opportunity

When fully operational in a newly-constructed development in 2025, Generations Village will be Missouri's first intergenerational community for foster families, foster youth and senior citizens. Children and youth will live in a safe neighborhood, providing opportunities for growth and stability; Senior adults will commit to help by volunteering their time, mentoring, babysitting, tutoring and providing enrichment activities. All involved will find a sense of hope and purpose. Learn more at www.generationsvillage.org. Generations Village is seeking to fill 8 Board seats. Those with specific expertise in law, accounting, banking, business management and non-profit organizations will bring much-needed (and appreciated) skills and experience to the organization.

Requirements: Members are expected to attend one Board meeting per month, may choose to offer volunteer service to various sub-committees (marketing, public relations, finance and special events) and will be asked to contribute (invest) a minimum of \$500 per year to the organization.

Meeting times: Fourth Wednesday of each month at 1:30pm.

Board meetings are currently being held at Central Bank on West Sunshine but the fixed location will ultimately be the home office of the organization, scheduled for completion in summer 2025.
