

Christine Peoples

The Springfield-Greene County Park Board named Christine as the first education coordinator of Timmons Hall under special facilities in April 2019. Peoples has extensive experience in community outreach, specializing in early childhood, young families, and honoring the elders. She is an ordained minister who has served six local minority congregations, including Pitts Chapel United Methodist Church, Washington Avenue Baptist Church, and Iglesias de Dios Pentecostal M.I. Mana Del Cielo.

Christine understands the cultural and historical honor of educating community within the richness of formerly segregated spaces. She counts it a blessing to be the education coordinator of Timmons Hall a former African American church and historical Silver Springs Park under special facilities for the Springfield Greene County Park Board.

Ms. Peoples is the Creator and Host of Freedom Classroom 101 - (Housed on City View)
