

Good Dads

Board Opportunity

Good Dads aims to maintain a well-rounded board of directors who bring a diversity of knowledge and expertise to the team. Good Dads recognizes the need for women's voices on the board — even for an organization that serves the needs of fathers. The Good Dads board of directors is a perfect fit for father-focused individuals who understand the importance of a good father to the well-being of children and our community as a whole.
